Inland Graphics division of HGI company Awarded the “Benny” in International Print Competition

**Menomonee Falls, WI – October, 2008** – Inland Graphics of Menomonee Falls was awarded a Benny, the highest honor in the 2008 Premier Print Awards, for their entry **Kahlua Hazelnut Label**.

The Premier Print Awards, the graphic arts industry’s largest and most prestigious worldwide printing competition, recognizes outstanding achievement in print production. Inland Graphics received their “Benny” for **Litho Labels and Wraps, Sheetfed Printing**.

The Premier Print Awards are the printing industry’s oldest and largest worldwide graphic arts competition, hosted by PIA/GATF. In its 59th year, the annual contest recognizes those responsible for the creation and production of print communications. The event promotes excellence in print communications and rewards companies and individuals who produce the very best in print media.

This year, over 4,200 entries were received from printing and graphic arts firms from around the world, and judges awarded the Benny to the top entry in each category. “We think the focus, talent and craftsmanship of the employees at HGI company truly make a difference when producing quality printed pieces and we think that winning a Benny aptly demonstrates this.” said Thomas Sikora, Vice President of Sales “It’s an honor to be recognized by the industry as a company that produces award winning print.”

Michael Makin, president and CEO of PIA/GATF, agrees. “The Benny winners represent the best our industry has to offer. This year’s entries were outstanding. There were entries from companies in 14 countries. Despite the fierce competition Inland Graphics, through hard work and dedicated craftsmanship, produced a piece worthy of the Benny.”
